Disclaimer

Information shown on screens for this tutorial was taken from test data developed for the hazardous waste reporting program. Device, process, and other information from existing facilities were used for illustrative purposes only. Existing facility data was used to show typical usage of screens in the program. None of the information presented in the following screens should be viewed as accurate information.

Download Forms

Before or after submitting the data, you can download the forms you have completed for your site's report, including the certification form. If you download your forms after completion but before submittal, the pages will display a "Draft" indication. The forms are downloaded in an Adobe Acrobat pdf file which can be viewed using the free Adobe Acrobat Reader program. You must print the one page certification form and send it to DNR at Hazardous Waste Reporting-WA/3, WI DNR, P.O. Box 7921, Madison, WI 53707-7921. The other forms of the report do not need to be printed but should be kept for your site's records.
